

2019 Furlough Relief: Early Withdrawal

Due to the furlough for many Federal government employees, Heart of Louisiana Credit Union wants to help lighten the stress for these families. Any member currently on furlough because of the government shutdown may withdraw money from your special savings (Money Market, Certificates of Deposit, Christmas Club, Lucky Lagniappe Savings) before maturity and we will waive the early withdrawal fee/penalty. Simply provide proof of your federal employment and we will take care of the rest!
