What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft transfer protection, such as a link to a shares account, which may be less expensive than our standard overdraft practices. To learn more, ask us about this service.

This notice explains our standard overdraft practices.

What are the standard overdraft practices that come with my account?

We do authorize and pay overdrafts for

- (1) checks and other transactions made using your checking account number
- (2) automatic bill payments.

We do not authorize and pay overdrafts for

- (1) ATM withdrawals
- (2) everyday debit card transactions, unless you ask us to.

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we do not authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if Heart of Louisiana Credit Union pays my overdraft?
