A MESSAGE FROM THE CEO

Fall is here, which means LSU football, cooler weather, and our annual fall auto loan campaign.

Many of you have been anticipating the start of this campaign, and now through October 29, you can take advantage of rates as low as 1.75% APR on new, used, and refinanced auto loans!

I also want to express my gratitude for the generosity of our members and community partners that donated to our Hurricane Ida donation drive.

We received so many supplies that we had to make two trips to LaPlace, Louisiana, to drop off the donations! It was truly inspiring to see our members take action and the resilience of our neighbors in southern Louisiana.

Lastly, if you signed up for our Christmas Club account (which earns 3% APY, by the way!) this year, keep an eye out because we will deposit funds into your checking account in October so you can get a head start on your holiday shopping.

If you're interested in setting up a Christmas Club account or taking advantage of our fall auto loan campaign, give us a call! We're standing by, ready to help you and your family meet your financial goals.
