## A MESSAGE FROM THE CEO

Over the past few months, lending needs have changed with the continued rise in gas and grocery prices. Here at the Heart, we've saved money for members by refinancing loans from other institutions. By lowering their monthly payments, we have helped these members add more cash to their monthly budget.

We're also excited to transition our online banking system to be consistent with our current mobile banking platform. The new system allows us to provide a consistent banking experience for our members. Our goal is to continue helping you efficiently and like family!

If you're interested in learning more about how we can help you save money by lowering those monthly payments, give us a call at 318-619-1900 or visit us online at [www.heartcu.org](http://www.heartcu.org).

We would love to help you make this summer one to enjoy!

Until next time, stay cool!

- Cindy Beauregard, CEO

# HEART DONATES TO ROTARY CLUB

Heart of Louisiana Credit Union

Heart of Louisiana Credit Union donated \$1,500 to the Pineville Rotary Club this month. The credit union's Board of Directors approved the special donation after hearing about the organization's great work throughout CenLa.

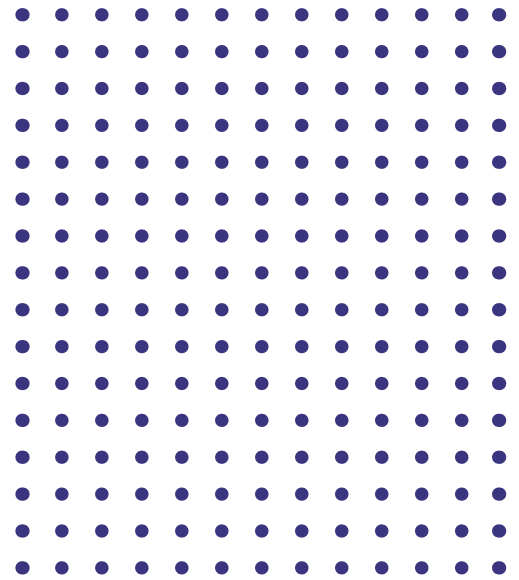

Donations to the Rotary Club support its commitment to creating youth enrichment programs.

A crucial component of their efforts is maintaining seven closets that provide students in elementary schools across CenLa with free uniforms and other personal items.

Credit union officials learned about the organization's efforts from a long-time member of the credit union and Rotary Club who reached out about sponsorship for the club's annual golf tournament.

Although the deadline to sponsor the tournament was missed, the board felt it was still essential to lend their support.

We are proud to have credit union members that champion helping our community like family!

# ONLINE BANKING UPGRADES!

We are upgrading our Online Banking system at Heart of Louisiana! As of June 21, this upgrade will match the current mobile banking system to provide consistency for all members. When the upgrade is complete, you will need to recreate any alerts and recurring bill payments you currently have setup in online banking. All other information should transfer to the new system, including usernames, passwords and your bill pay system payees.

Starting a new habit can be hard. Starting to save money can feel impossible. Lucky Lagniappe Savings can help - for every \$20 you save you could win up to \$5,000. It's that easy!
